

Moby Dick's Wait Staff Dress Code

The wait staff is an important part of our business. You are the first employee that the customer sees. How you look and approach the customer will influence his/her first impressions of Moby Dick's. Besides a friendly smile and a welcoming greeting, your appearance needs to be neat, clean, and professional.

- 1) Moby's *navy tee shirt*— Clean and new looking w/no stains, spots, etc.
If it is stained or spotted, we will require you to purchase a new one.
2 shirts are given to you. Others purchased at cost of \$10.00.

You will be required to purchase a new shirt at the beginning of August.

- 2) *Tan khaki* colored shorts, trousers, skirts or cropped pants.
(This khaki is a light brown color, not a green color.)
Shorts — Inseam must be a least 4 -1/2 inches. **NO** short shorts.
Skirts — No shorter than 3 to 4 inches above the knee.
Trousers — No longer than to the middle part of your shoes.
Should not be dragging on the ground & no frayed edges.
Cropped or capris pants — These are acceptable.

Not allowed: Jeans, black pants, red pants, green pants, or any other color of pants.

You can purchase your items anywhere, but here are some websites that have khaki items:

www.llbean.com; www.eddiebauer.com; www.jjill.com; www.jcrew.com;
www.bananarepublic.com; www.gap.com.

- 3) *Black non-slip shoes* are required. Here is the company where you can order them:
www.shoesforcrews.com. You can choose any style, but I would recommend more of an athletic style as you will be on your feet a lot. You will not want shoes with heels.
Styles that seem to work better for our staff: Element, Dreamer, and Falcon (tighter fit).
Styles that were not as comfortable: Euro-clog and Old School.

Please order your shoes ahead of time as they can take several weeks to arrive.

If you need to send them directly to us, here is our address:

If coming by UPS or FEDEX: Moby Dick's Restaurant
3225 Route 6
Wellfleet, MA 02667

If you are unable to order your shoes, email me and I will order them. You can pay me when you arrive.

You must have shoes from this company if you plan on working with us.

- 4) Clean *white socks* or Moby socks.
- 5) Clean *navy apron*. Apron supplied, but you launder it. Apron is to be tied **over** the tee shirt so that the shirt is tucked under the apron.

6) Name tag above logo on left side of shirt.

8) Hair must be pulled back away from face.
