Moby Dick's RESTAURANT

As seafood prices fluctuate, so will ours. Both up and down.

Please be aware of the increased risk of a foodborne illness when eating raw food or food cooked to less than medium. Before placing your order, please inform your server if you or a person in your party has a food allergy.

Our entire menu is available for take-out. Call 508.349.9795 to order.

Gift cards available online and at the restaurant. Mobys.com

 A Moby Favorite Item

Gluten Free?

Moby Dick's offers many gluten free options, however our food is prepared in a open kitchen so there is a risk of gluten exposure. Please inform the person at the register if you have gluten sensitivity before ordering.

All of our sauces and dressings and clam chowder are gluten free.

None of our fried seafood items or our fries are an option for those with a gluten sensitivity.

Our burgers are made with Certified Angus Beef

We are proud to offer Pepsi products

The Story Of Moby Dick's

(Not by Herman Melville)

While on Easter vacation in 1982, the Barry family noticed a "For Sale" sign at "Al's Hamburgers." Years before, this little restaurant was the first place where the Barry family had stopped while on their first visit to Wellfleet. With three college-aged boys and a teenage girl (all in need of summer jobs), the idea to enter the restaurant business seemed a natural.

Time passes and three of the four Barry siblings went on to explore other careers. Todd, the oldest, took a real liking to the restaurant and continued at the helm of Moby Dick's. Todd also took a liking to Mignon, who just happened one day in 1992 to come through the door of Moby Dick's searching for a clambake. She got her clambake as well as a husband and a restaurant too!

Now on any given day, you can see Todd and Mignon roaming the restaurant, continuing the Moby Dick's tradition of serving fresh local seafood in a comfortable and fun Cape Cod atmosphere. It is our top priority to make your visit with us a memorable dining experience.
